Legislative Agriculture Chairs Summit V

January 26-28, 2007
Washington, D.C.

Coordinated by:
State Agriculture and Rural Leaders, Inc.

Legislative Agricultural Chairs Summit

With four very successful meetings of State House and Senate Agriculture Committee Chairs as their guide, members of State Agricultural and Rural Leaders are working towards an even better 2007 program. This is a unique opportunity to develop understanding and unity among state officials as they discuss agricultural and rural issues.

2006 Summit (Tempe)

“The success of these meetings is due to the opportunity to understand the commonalities among the states and bring home real time solutions to our state’s issues”

Iowa Senator David Johnson

2005 Summit (Memphis)

“Excellent place to dialogue and get understanding of the changing world of agriculture policy.” Indiana Senator Bob Jackman

“The L.A.C. Summit provides a one of a kind meeting for agriculture and rural legislative leaders from across the nation to share ideas and create opportunities for farmers, ranchers, and rural America.”

Past President, Roger Thomas

2004 Summit (New Orleans)

The program focuses on critical topics in agriculture and rural development that are facing state officials.

Some of the 2007 Topics

- * The 2007 Farm Bill
- * Agricultural Trade
- * Environmental Regulations
 - * Food Safety
- * Rural Development
- * Farm Profitability
- * Global Warming
- * Entrepreneurship

“Anybody who is interested in production agriculture and the policies that affect it should be interested in this meeting. Will definitely plan to sponsor and attend next year!!”

Jerry Parkin, John Deere

2005 LAC. Summit (Memphis, Tennessee)

“Excellent forum and highly productive for our industry. This is a MUST DO for us each year.”

Sponsors

The LAC Summit would not be possible without the generous support of our sponsors. Their support has allowed it to grow from 45 agricultural chairs in 2003 to 95 chairs from 46 states and four Canadian provinces in 2006. All on-site expenses are provided for invited legislators. This allows more officials to attend during times of very tight state budgets and restricted travel.

Sponsorship opportunities available.
